

The Barn Studio View From Dickinson St.

The Studio is surrounded by Sugar Maple and Hemlock trees. There is parking in front and on the street. Large stones and benches offer seating before and after classes.

The Barn Studio Interior

Mirrors on the north side, large windows facing east. The studio has wall mounted as well as a mobile ballet barres.

The Barn Studio Interior

This view shows large south facing windows, the door onto the side porch and benches for seating.

The Barn Studio

Beautiful sprung and heated maple floors, large south and east facing windows, stools stacked in the corner, 4 speakers, cd/dvd players and screen as well as a tape player complete the amenities.
